It is hoped that with the approval of Almighty God; This university can Do a valuable service to the society of Muslim and revolutionary women of Iran."

Every year, thousands of women enroll in various courses offered by Jamiat al-Zahra in various cities. According to the University Statistical Center, the total number of Iranian and non-Iranian women currently stands at about 20,000 women studying in 2023. Jami'at al-Zahra currently has about a thousand international students from over forty countries. This is in addition to thousands of other students from all over Iran who are studying at other branches of Jamiat al-Zahra.

We recognize the value and importance of each student. Each student represents not only their nation and culture, but also a vast world of talents, expectations, aspirations and emotions.

The education of women is so important that Jamiat al-Zahra was founded in 1984 in Qom with the authorization of Imam Khomeini to provide the highest quality of teaching and education exclusively for women.

The university is housed in a brand new state of the art purpose built campus

The education of women is so important that Jamiat al-Zahra was founded in 1984 in Qom with the authorization of Imam Khomeini to provide the highest quality of teaching and education exclusively for women.

The university is housed in a brand new state of the art purpose built campus located in one of the best areas of downtown Qom.

The university boasts new teaching facilities, living quarters, a library, shops, and administrative buildings located on campus.

It is planned to build a two-story prayer hall and lecture hall, a swimming pool and a sports center.

The university is committed to providing the highest quality Islamic education for women, helping them become knowledgeable individuals and educators in the community.
